NOTICES

Acting rank is now shown in this publication *only* in the case of officers of the Army Emergency Reserve and of the reconstituted Territorial Army, including the Territorial Army, General List, Sections A. and B.

The figures in square brackets thus [1] after the titles of Infantry regiments denote the former regimental districts to which the regiments belonged.

The badges, devices, distinctions and mottoes borne on Standards, Guidons and Regimental Colours are shown after the title of regiments, the "centre" badge being printed in heavy type. In the case of Regiments and Corps which do not bear Standards, Guidons or Colours, the badges, etc., shown after their titles are the cap badge or shoulder belt badge.

The honorary distinctions below the titles of regiments denote the honours awarded to regiments in commemoration of their services. Those printed in heavy type are borne on their Standards, Guidons or Colours or, in the case of regiments having no Standards, Guidons or Colours, on their Appointments.

The Great War and the Second World War battle honours shown in heavy type are borne on the Queen's Colour: the remaining battle honours shown in heavy type are borne on the Regimental Colour. Foot Guards bear all battle honours shown in heavy type on the Queen's and Regimental Colours.

The colour of uniform, etc., indicated is that of No. 1 dress except where otherwise stated.

As announced in London Gazette (Supplement) dated 22/8/47, all *European* Queen's Commissioned officers in the Active List of the Indian Army are deemed to have been appointed as from 15th August, 1947, to a Special List (ex Indian Army) British Army.

Indian Army Associations. A list of addresses of secretaries or representatives of associations connected with the Indian Army (pre 1947) and Auxiliary Force (India) is maintained at the R.M.A. Sandhurst Museum, the official Museum for the Indian Army. Correspondence should be addressed to:—

The Director, National Army Museum, R.M.A. Sandhurst, Camberley, Surrey. (Tel. Camberley 1661 Ext. 239).

All communications on officers' personal entries in this List (other than those on obvious misprints) should be addressed to The Under-Secretary of State (O.D.O.), The War Office, Stanmore, Middlesex. Communications from officers about their own personal entries should be sent through officers commanding units or establishments.

Communications regarding other matter appearing in this List should be addressed to The Under-Secretary of State (C.S. A.L.), The War Office, Stanmore, Middlesex.

Officers who succeed to peerages, baronetcies or courtesy titles are responsible for immediately notifying the fact to The Under-Secretary of State, The War Office (O.D.O.), in order that the necessary alterations may be made in the Army Lists and in the official records of the War Office.

The object of the Fund is to assist to the fullest extent possible in the provision of financial support to Corps, Regimental and other Charitable Organisations which directly or indirectly benefit Service and ex-Service men and women and their dependants. Since its inception in September 1944 the Fund has made grants to these organisations amounting to over £4,500,000 and the calls on the Fund are heavier than ever.

Donations, which cannot be too large or too small, may be paid into any bank in Great Britain or Northern Ireland for credit of the Fund, or sent to the above address.

The Star & Garter Home for Disabled Sailors, Soldiers & Airmen, Richmond, Surrey

Patron: HER MAJESTY THE QUEEN

President: Field-Marshal The Rt. Hon. The Viscount Alanbrooke of Brookeborough, G.C., G.C.B., O.M., G.C.V.O., D.S.O.

Chairman of Governors: Marshal of the Royal Air Force Sir John Slessor, G.C.B., D.S.O., M.C.

The Home stands on the site on Richmond Hill of the old Star and Garter Hotel, famous for 200 years, which early in the First World War, with the generous help of the Chartered Auctioneers' and Estate Agents' Institute, was converted for the care of men seriously wounded.

When the War ended a new Home was built, the funds for this being largely subscribed by the women of Britain and the Commonwealth, whose special War Memorial it is. The new building was opened by King George V and Queen Mary in 1924.

The Home provides happy and permanent accommodation for disabled ex-Servicemen and gives them the best possible medical treatment. It accommodates 200 patients with over 100 men on the waiting list. A few of the patients are veterans of the Boer War, two-thirds served in World War I and the remainder served subsequently, a large number in World War II.

It is an independent charity and not part of the National Health Service. Rising costs over the years have steadily widened the gap between expenditure and reliable income. An average of nearly £30,000 is required each year to bridge this gap.

Financial help is needed to enable the Home to continue as its founders would have wished. Donations would be gratefully received by The Commandant at The Star and Garter Home, Richmond, Surrey. Telephone: RICHmond 3314.

Chairman—THE PAYMASTER-GENERAL
and 12 others.

1. The School is a boarding school, providing free education, board and clothing, for the sons of soldiers. A candidate for registration for admission to the School must be the legitimate son of a warrant officer, non-commissioned officer or man who is serving or has served in the Army or of an officer who, prior to being commissioned, enlisted on a normal engagement in the Regular Army.

2. Boys can be registered for admission between the ages of eight and eleven years, and admitted to the School after their ninth and before their twelfth birthdays. They are normally admitted at the beginning of the School year, in September, and to be considered for admission in any year a boy must be registered before 1st January of that year. Before admission all boys are subjected to an educational, general, and medical test as to their suitability for admission. Selection of boys for admission rests with Her Majesty's Commissioners. Preference in general is given to total orphans, to those whose fathers have been killed in action or have died while in the Service or after leaving the Service, and to motherless boys whose fathers are serving abroad.

3. A boy will normally leave the School at the end of the School year (July) in which he reaches the age of 15 years, but, if selected, he may remain at the School up to a maximum age of 19 years.

Further information will be given on application to the Secretary at the School.
